Salutes the Co-Chairs of the
"Together, We Must" Campaign*

Thank you for your leadership and your commitment to Equal Justice.

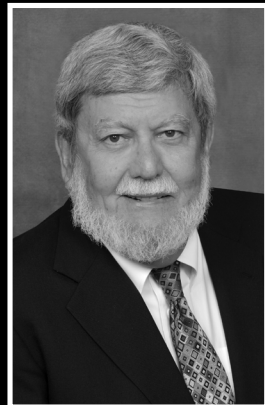

"A free and just society depends on access to professionals knowledgeable of the legal system. If access is limited to those who can afford it, we will have failed."

Gene Stearns,

"Our community is hurting and we need to help heal the wounds. As lawyers we have a unique role to play in the healing. Let's maximize that role in a way that helps low income individuals."

Corali Lopez-Castro,
*Kozyak Tropin &
Throckmorton, P.A.*

"I believe that 'equal justice for all' is the ethical foundation of our nation – and our community. No one should ever be denied access to legal representation due to their inability to pay, especially in difficult economic times."
